Saloni Upadhyay

Chandigarh +91 9335024094 saloniupadhyay259@gmail.com Linked In GitHub LeetCode

A dedicated, passionate, and hardworking Computer Science and Engineering (CSE) student with a strong interest in **software development**, **problem-solving,** and **emerging technologies**. Seeking an opportunity to apply my **technical knowledge**, **creativity**, and **analytical thinking** in areas such as **software development** and **innovative tech solutions**.

Education

Chandigarh Engineering Colleges jhanjeri, B.Tech Computer Scienece & Engineering   **2022 - 2026**
CGPA : 8.59 (till 5th Semester)

CBSE Varanasi , Class 12th Science with mathematics   **2022**
Percentage : 89.6%

CBSE Varansi, Class 10th with major subjects   **2020**
Percentage : 92%

Projects

Online Banking System
Technology used : **Java , Mysql, JBDC, NetBeans**
- Designed and implemented the backend using **Java** and **Java Database Connectivity (JDBC)**, ensuring seamless interaction with the **MySQL**   database for efficient data storage and retrieval.
- Ensured secure user authentication and transaction handling by implementing multi-factor authentication and encryption for data protection.

Budget Tracking System
Technology used : Html , css , javascript, node.js
- Developed a budget tracking system – an interactive web application that helps users manage their income and expenses effectively..
- Integrated JavaScript to handle core functionalities including:
  - ➤ Adding, editing, and deleting transactions
  - ➤ Real-time calculation of total income, expenses, and balance
  - ➤ Visual indicators for financial health (e.g., color-coded balance status)
  - ➤ Local storage usage to retain data across sessions

Internship Experience

JAVA Development   FCC , IIT Hyderabad and Remark Skill Edu |
10/06/2024 –   20/07/2024

Web Technologies   CODESOFT |
01/07/2024 – 31/07/2024

Technical Skills

Programming Languages   :   C++, Java
Web Technologies   :   HTML, CSS, JavaScript, Node.js
Databases   : SQL ,   Ms word
Version Control : git / github
CS Fundamental : Data Structure and Algorithm, Operating System and Computer Network.

Soft Skills

- Project management
- Problem Solving
- Analytical reasoning ability
- Leadership skills

Certifications

- Certification for the introduction to MongoDB for students, from MongoDB Organization.
- Certificate of International Level Student workshop - 2024 from BRAINO VISION SOLUTIONS INDIA PVT.LTD.
- Certificate of completion Cloud Essential - knowledge badge readline paths from AWS Certificate and training.
- Certification for AWS Cloud Practitioner Essential Training by Nasscom.
- Certification for Completing IT Fundamentals , Professional, Communication by IBM.
- Certification of Participation in FlipKart GRiD 6.0 – Software Development Track.

Achievement & Ranking

- Public Relation Volunteer, GeeksforGeeks (GFG) CGC-J.
- E-cell and Venture Nest Community Member (CGC-J)
- School Topper in Secondary Examination.
- Solved 100+ Problem over leetcode.
- Solved 400+ Problem over Codchef
